## Exhibiting Artist Application

Thank you for your interest in exhibiting your works of art in our gallery. Please follow all directions on this application to ensure we receive everything we need to consider your works.

First, a few things you should know about exhibiting at River & Word.

- We accept artists on 3-month agreements. That means for 3 months we will feature your work in our gallery. The number of pieces will be determined before you sign your agreement to exhibit.
- If you reside in Cherokee County, or a county that borders Cherokee County, we require that you attend the opening that is held the 1<sup>st</sup> month your work is featured. It will usually fall on the first Friday of that month.
- We accept anything that can be considered art: fibers, ceramics, sculptures, paintings, etc. We believe if there are any rules on art, they are absolutely meant to be broken.
- All works must be ready to display and include hanging hardware if applicable. All 2-dimensional works must be framed unless they are completed on gallery wrapped canvas of 1-inch thick or more.
- If you currently exhibit in one of Tahequah's other fine galleries, we cannot accept your work. Of course, there are exceptions to this rule. For example, we may feature an artist who already displays work locally, but that artist has completed works in a different medium that are not displayed elsewhere.
- If we invite you to exhibit, you will receive a welcome email with an attached agreement that will need to be signed and sent back to us within 30 days.
